

April 2014

Rental of the facilities – Price list 2014

The Hardt Foundation facilities are available upon request for events (conferences, colloquia, seminars, concerts and other events) on various topics in which classical Antiquity has a prominent, but not exclusive, place. Events organised by private individuals are also welcome.

The Orangerie has been renovated and transformed in order to host such events. For events over several days, accommodation of guests is possible according to availability, before or after the annual closure from December to January as well as before or after the *Entretiens sur l'Antiquité classique*, which take place during the last week of August.

Catering and accommodation

During the open period, from early February to late November, the Hardt Foundation can cater lunch or buffet meals for external guests.

If more than 10 people are expected for meals, additional equipment (tables, chairs and dishes) may have to be rented. In that case, the organiser will bear the extra costs.

Room accommodation is limited to 10 people.

Rental (*prices for private events upon request*)
